NOTES:

- 1) Pursuant to the General Circular No. 03/2025 dated 22nd September, 2025, issued by the Ministry of Corporate Affairs (MCA) (hereinafter collectively referred to as “the Circular”), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC. The deemed venue for the AGM shall be the Registered Office of the Company.
- 2) Since the Annual General Meeting is being held through Video Conference and in terms of the provision of the Circulars, the facility for appointment of proxy by members will not be available for the Meeting.
- 3) The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 (“Listing Regulations”) and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment at this Annual General Meeting (“AGM”) are annexed as “Annexure-1”.

- 4) Corporate Members intending to Authorise their representatives to participate at the AGM through VC/OAVM on its behalf and to vote through remote e-voting/during the AGM, pursuant to Section 113 of the Act are requested to send a certified copy of the relevant board resolution to the Scrutinizer by email through its registered mail addresses to jay@csjaymehta.in with a copy marked to helpdesk.evoting@cdslindia.com.
- 5) Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- 6) Members seeking any information with regard to the accounts or all documents referred to in the accompanying Notice and the Explanatory Statements shall be available for inspection through electronic mode. The members may send request to the Company at secretarial@aeonx.digital.
- 7) M/s. Jay Mehta and Associates, Practicing Company Secretary (Membership No. 8672) has been appointed as the Scrutinizer to scrutinize the voting at the AGM and remote e-voting process in a fair and transparent manner.
- 8) Transfer of Unclaimed Shares to Investor Education and Protection Fund
 - a) Unclaimed Dividend

Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. Members who wish to claim Dividends, which remain unclaimed, are requested to either correspond with the Company's registered office or emailing at secretarial@aeonx.digital or the Company's RTA by e-mailing at rnt.helpdesk@in.mpms.mufig.com for revalidation and encash them before the due dates.

b) Claim from IEPF Authority

Members or their legal heir, as the case may be, can claim the unclaimed dividend amount and / or shares transferred to IEPF by making an online application to the IEPF Authority through Form IEPF-5 available on the website of the Authority www.iepf.gov.in and in the manner specified under IEPF Rules.

- 9) Members holding shares in the dematerialised mode are requested to intimate all changes with respect to their bank details, ECS mandate, nomination, power of attorney, change of address, change in name, etc, to their Depository Participants (DP). Members holding shares in physical form are requested to intimate the changes to the RTA of the Company. These changes will be automatically reflected in the Company's records, which will help the Company to provide efficient and better service to the Members.

The address of Company's RTA is as follows:

M/s. MUFG Intime India Pvt. Ltd.,
C-101, 247 Park,
L. B. S. Marg, Vikhroli (West),
Mumbai-400 083.
Phone: Tel – 022-49186000 Fax- 022-49186060
E-mail: rnt.helpdesk@in.mpms.mufig.com

- 10) As per Regulation 40 of Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members may contact the Company's RTA for assistance in this regard.
- 11) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their DPs with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to RTA of the Company.
- 12) Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA - MUFG Intime India Pvt. Ltd, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes. Accordingly, RTA will issue Letter of Confirmation to the concerned Member.
- 13) Pursuant to SEBI Circular No. D&CC/FITTC/CIR-15/2002 dated 27/12/2002 all the work related to share registry in terms of both physical and electronic are being done by the Company's RTA - M/s. MUFG Intime India Pvt. Ltd. Therefore, Members are requested to send their communication directly to them in future.
- 14) The Notice of the 34th AGM along with the Annual Report 2025-2026 are being sent only through the electronic mode to Members whose e-mail addresses are registered with the Company/Depositories. The same is also available on the Company's website at <http://www.aeonx.digital>.
- 15) To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with Company's RTA - MUFG Intime India Pvt. Ltd. in case the shares are held by them in physical form.
- 16) In terms of MCA and SEBI Circulars, the Company has sent the Annual Report, Notice of AGM and e-Voting instructions only in electronic form to the members whose e-mail addresses are registered with the Company/Registrar and Transfer Agent/ Depositories/ Depository Participants and a letter will be sent by the Company providing the web-link, including the exact path where complete details of the Annual Report including the Notice of the e-AGM is available to those members who have not registered their e-mail address with the Company/Registrar and Transfer Agent/ Depositories/Depository Participants. Physical copy of the Annual Report shall be sent by the permitted mode to the member who request for the same to the Company at email ID secretarial@aeonx.digital.
- 17) The SEBI vide its Master Circular No. SEBI/ HO/MIRSD/ POD-1/P/CIR/2024/37 dated May 7, 2024, has mandated that with effect from April 1, 2024, dividend to security holders who are holding securities in physical form, shall be paid only through electronic mode. Such payment shall be made only after the shareholders furnish their PAN, contact details (postal address with PIN and mobile number), Bank Account details/Cancelled cheque bearing the name of first shareholder & Specimen Signature ("KYC"). Members who have not updated their bank account details for receiving the dividends directly in their bank accounts through Electronic Clearing Service (ECS), are requested to update their Electronic Bank Mandate with their respective DPs.
- 18) As per the provisions of section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members holding shares in physical form may submit the same to the Company's RTA - M/s. MUFG Intime India Pvt. Ltd., Members holding shares in electronic form may submit the same to their respective DP.
- 19) Unclaimed Dividend - details are available on website at <http://www.aeonx.digital>.

- 20) Since the AGM will be held through VC/OAVM, the route map, proxy form and attendance slip are not annexed to this Notice of the AGM.
- 21) Voting through electronic means:
- I. In compliance with provisions of section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time and the provisions of Regulation 44 of Listing Regulations, the Company is pleased to provide to its Members, facility to exercise their right to vote on resolutions proposed to be considered at the ensuing AGM by electronic means and the business may be transacted through e-voting services.
 - II. The remote e-voting will be provided by CDSL which will commence from Saturday, 26th September, 2026 and end on Tuesday, 29th September, 2026. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Wednesday, 23rd September, 2026 may cast their vote by remote e-voting. The remote e-voting module shall be disabled by CDSL for voting thereafter. The Members who have cast their vote by remote e-voting prior to the AGM may also participate the AGM through VC/OAVM but shall not be entitled to cast their vote again. The facility for voting during the AGM will also be made available. Members present in the AGM through VC/OAVM and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
 - III. The Members can join the AGM in the VC/OAVM mode 15 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 22) SEBI introduced Online Dispute Resolution Mechanism (“ODR Mechanism”) through various circulars including its updated Master Circular no. SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 dated December 28, 2023 i.e. “Master Circular for Online Dispute Resolution”. The said Master Circular and the process note are available on the website of the Company at www.aeonx.digital. As per the said circulars, investors shall first take up their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the investor may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal at www.scores.gov.in, in accordance with the process laid out therein. After exhausting all available options for resolution of the grievance, if the investor is still not satisfied with the outcome, he/she can initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>. Alternatively, the investor/client can initiate dispute resolution through the ODR Portal if the grievance lodged with the Company was not satisfactorily resolved in accordance with and subject to the relevant SEBI circulars. It must be noted that the dispute resolution through the ODR portal can be initiated only if such complaint / dispute is not pending before any arbitral process, court, tribunal or consumer forum or if the same is non-arbitrable under Indian Law. There shall be no fees for registration of a complaint/dispute on the ODR portal, and the fees for conciliation or arbitration process including applicable GST, stamp duty etc. shall be borne by the Investor/Company/other market participant as the case may be.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

1. The general meetings of the companies can be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Saturday, 26th September, 2026 and end on Tuesday, 29th September, 2026. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, 23rd September, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09/12/2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) **Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi / Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab. 2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option. 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders holding securities in demat mode with NSDL Depository	1) If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting
Individual Shareholders (holding securities in demat mode) login through their Depository Participants (DP)	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at : 022 - 4886 7000 and 022 - 2499 7000.

- (v) **Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

Login method for e-Voting and joining virtual meetings for **Physical shareholders and shareholders other than individual holding in Demat form.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
- (xvii) **Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**
 - ÷ Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - ÷ A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - ÷ After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - ÷ The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - ÷ It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - ÷ Alternatively Non Individual shareholders are required mandatorily to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; secretarial@aeonx.digital, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least **Three (3) days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at secretarial@aeonx.digital. The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance **Three (3) days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at secretarial@aeonx.digital. These queries will be replied to by the company suitably by email.
8. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.

The Board of Directors of the Company met six times during the financial year 2025-26 viz. on 28th May, 2025, 07th August, 2025, 15th September, 2025, 11th November, 2025, 29th December, 2025 and 4th February, 2026. The details of attendance of respective

directors are given in the Corporate Governance Report. The intervening gap between the two meetings was within the period prescribed under the Companies Act and Regulation 17 of the Listing Regulations.

BOARD COMMITTEES

As per the applicable provisions of the Act and the Listing Regulations, the Company has formed the following statutory committees.

1. Audit Committee
2. Nomination and Remuneration Committee
3. Stakeholders Relationship Committee.

Detailed information of all the Committees and relevant information for the year under review are set out in the Corporate Governance Report.

NOMINATION AND REMUNERATION POLICY

Pursuant to the provisions of the Act and the Part D of Schedule II of Listing Regulations, the Company has formed and implemented Nomination and Remuneration Policy and the same is available on the Company's website at www.aeonx.digital.

FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS

The familiarization programme seeks to update the Directors on the roles, responsibilities, rights and duties under the Act and other statutes.

The Company's familiarization programme for Independent Directors is posted on the Company's website at www.aeonx.digital.

BOARD EVALUATION

Pursuant to the provisions of the Act and the Listing Regulations, annual performance evaluation of the Board, its Committee and of individual Directors has been made.

The manner, in which the evaluation has been carried out, forms part of the Corporate Governance Report.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(3)(c) read with Section 134(5) of the Act, your Company's Directors, based on the representations received from the management, confirm that:

- a. the applicable Accounting Standards have been followed in the preparation of the annual accounts along with the proper explanation relating to material departures, if any;
- b. they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the loss of the Company for that period;
- c. they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d. they have prepared the annual accounts on a going concern basis;
- e. they have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- f. they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

PARTICULARS OF EMPLOYEES

Information as per Section 197 of the Act read with the Rule 5 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended from time to time, forms part of this report as “**Annexure B**”.

Considering the provisions to section 136 of the Companies Act, 2013, the Annual Report, excluding the statement required to be given under rule 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is being sent to the shareholders of the Company and others entitled thereto. The aforesaid statement is available for inspection of members at the registered office of the Company during working hours up to the date of Annual General Meeting and shall be made available to any shareholder on request. Members seeking to inspect such documents can send an email to secretarial@aeonx.digital.

AUDITORS

Statutory Auditors and Auditors Report

The Board, on the recommendation of the Audit Committee and subject to the approval of the shareholders, approved appointment of M/s R. A. Kuvadia & Co., (Firm Registration Number: 105487W) as the Statutory Auditors of the Company for a period of 5 (five) years from the conclusion of the 30th AGM till the conclusion of the 35th AGM to be held in the year 2027 at such remuneration, as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Audit Report for FY 2025-26 contains no qualifications, reservations, adverse remarks or disclaimers made by the Statutory Auditor in their Audit Report. The Notes to the financial statements referred in the Auditors Report are self-explanatory and therefore do not call for any comments under Section 134 of the Companies Act, 2013. The Auditors' Report is enclosed with the financial statements in the Annual Report.

Cost Auditors and Cost Audit Report

The provision of the Section 148 read with Rule 4(2) of the Companies (Cost Records and Audit) Rules, 2014, *inter alia*, states that the Company shall get its cost records audited if the overall annual turnover of the company from all its products and services during the immediately preceding financial year exceeds Rs. 100 Crores.

Since the Company's overall annual turnover, during the immediately preceding financial year, does not exceeds Rs. 100 Crores, it is not required to appoint the Cost Auditors.

Secretarial Auditors and Secretarial Audit Report

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014, your Company had engaged the services of M/s. Jay Mehta & Associates, Company Secretary in Practice to undertake the Secretarial Audit of the Company for the term of 5 consecutive years commencing from FY 2025 - 26 till FY 2029 - 30.

The Secretarial Audit Report in Form MR – 3 for the Financial Year ended 31st March, 2026 is annexed with this report as “**Annexure - C**”.

Compnay’s Reply to the Secretarial Auditor’s Observations.

With respect to the Secretarial Auditor's observation on non- transfer of underlying equity shares for the unpaid / unclaimed dividend for FY 2017-18, which remained unpaid / unclaimed till FY 2024-25, to the IEPF Authority, the Board clarifies that the transfer was delayed due to certain technical issues encountered during reconciliation of the requisite records. However, the Company is in process of transferring the said shares to the IEPF Authority.

Secretarial Audit Report of Material Subsidiaries

M/s. Jay Mehta & Associates, Company Secretaries were re-appointed as secretarial auditors to conduct the secretarial audit of Aeonx Digital Solution Private Limited (Material Subsidiary) for the Financial Year 2025-26.

The Secretarial Audit Report of Aeonx Digital Solutions Private Limited in Form MR-3 is annexed to this report as “**Annexure D**”.

Internal Auditors and Internal Audit Report

M/s. N.P. Patwa & Co, Chartered Accountants, were re-appointed as an Internal Auditors of the Company for the Financial Year 2025-26. The Audit Committee reviews the findings made by the Internal Auditors in their Report on quarterly basis and makes necessary recommendations to the management.

REPORTING OF FRAUDS

During the year under review, the Statutory Auditors have not reported any instances of frauds committed in the Company by its Officers or Employees, to the Audit Committee / Central Government under Section 143(12) of the Act, read with Rule 13 of the Companies (Audit and Auditors) Rules, 2014.

VIGIL MECHANISM/ WHISTLE BLOWER POLICY

In accordance with the provisions of Section 177(9) of the Act read with Regulation 22 of Listing Regulations, the Company has formulated and adopted vigil mechanism / Whistle Blower policy to enable the Directors and employees to report about unethical behavior and instances of fraud or mismanagement, if any. The mechanism provides for adequate safeguards against victimization of employees and Directors to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases.

The policy can be accessed at the website of the Company at www.aeonx.digital.

During the year under review, no complaint has been received under the Whistle Blower Policy (Vigil Mechanism).

SECRETARIAL STANDARDS:

The Company has complied with the Secretarial Standards issued by the Institute of Company Secretaries of India on:

1. Meetings of the Board of Directors
2. General Meetings
3. Reports of the Board of Directors

PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS

Particulars of loans, guarantees and investments covered under Section 186 of the Companies Act, 2013 forms part of the notes to the financial statements provided in this annual report.

RELATED PARTY TRANSACTIONS

The Company has formulated a policy on Related Party Transactions for the purpose of identification and monitoring of such transactions. The said policy on Related Party Transactions as approved by the Board is uploaded on the Company's website at www.aeonx.digital.

During the year under review, all the transactions entered pursuant to the contracts and arrangements with related parties under Section 188 (1) of the Companies Act, 2013, were on arm's length basis and in the ordinary course of business. Further, no Material Related Party Transactions, as per the materiality threshold mentioned under Section 188 of Companies Act, 2013, were entered during the year by the Company. Accordingly, the disclosure of RPTs as required under Section 134(3)(h) of the Companies Act, in Form AOC-2 is not applicable

However, the details relating to Related Party Transaction is provided in the Note No. 35B of Standalone Financial Statements.

RISK MANAGEMENT POLICY

Your Company recognizes that risk is an integral part of business and is committed to managing the risks in a proactive and efficient manner. In line with corporate best practices, the Company assesses the risks in the internal and external environment which will monitor, evaluate and execute all mitigation actions in this regards and takes all measures necessary to effectively deal with incidences of risk. Adequate risk management framework capable of addressing the risks is in place.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO:

The particulars relating to conservation of energy, technology absorption, foreign exchange earnings and outgo, as required to be disclosed under the Companies Act, 2013, are provided in “**Annexure - E**” to this Report.

ANNUAL RETURN

In accordance with the provisions of section 92(3) of the Act, the copy of Annual Return of the Company is available on its website <http://www.aeonx.digital>.

CORPORATE GOVERNANCE AND MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

A report on 'Corporate Governance' along with the auditors' certificate regarding its compliance and 'Management Discussion and Analysis' Report as stipulated under Regulation 34 of the Listing Regulations are set out separately which forms part of this Report.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR TILL THE DATE OF THE REPORT

Except as stated in this Report, there have been no material changes and commitments which have occurred between the end of financial year till the date of this report affecting the financial position of the Company.

PUBLIC DEPOSITS

The Company has not accepted any deposit, within the meaning of Section 73 and 74 of the Act, read with the Companies (Acceptance of Deposits) Rules, 2014 during the year.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There is no significant and material order passed by any regulators, courts or tribunals during the FY 2025-26.

DEMAT SUSPENSE ACCOUNT / UNCLAIMED SUSPENSE ACCOUNT:

The Company does not have Demat Suspense Account / Unclaimed Suspense Account. Accordingly, the disclosure required to be made as per Schedule V (F) of Listing Regulations is not applicable.

TRANSFER OF UNCLAIMED SHARES TO IEPF ACCOUNT

A) Transfer of shares

Pursuant to the provisions of Sections 124 and 125 of the Companies Act, 2013 ('the Act') read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (“IEPF Rules”), any dividend remaining unclaimed or unpaid for a period of seven years from the date of its transfer to the Company's Unpaid Dividend Account is required to be transferred to the Investor Education and Protection Fund (IEPF) Authority.

Further, in terms of the aforesaid provisions, all shares in respect of which dividend has remained unclaimed for seven consecutive years or more from the date of transfer to the Unpaid Dividend Account are also mandatorily required to be transferred to the IEPF Authority. However, this requirement shall not apply to shares in respect of which there is a specific order of a Court, Tribunal, or any Statutory Authority restraining such transfer.

In the interest of the Members, the Company sends periodical reminders to the Members to claim their dividends in order to avoid transfer of dividends/shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and Members whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website www.aeonx.digital.

During the financial under review, in accordance with applicable provisions, the Company transferred unclaimed dividends and corresponding shares to IEPF, as detailed below:

As on 31st March, 2026, a total of 85,386 Equity Shares of the Company were lying in the Demat A/c of the IEPF Authority.

The shareholders have an option to claim their shares and / or amount of dividend transferred to IEPF, in the prescribed form available on www.mca.gov.in. Members are requested to note that no claims shall lie against the Company in respect of the dividends and/or shares transferred to IEPF.

The Company has initiated necessary action for transfer of shares in respect of which dividend has not been paid or claimed by the members consecutively since FY 2017-18 & FY 2018-19.

The voting rights on shares transferred to the IEPF Authority shall remain frozen until the rightful owner claims the shares. Any further dividend received on such shares shall be credited to the IEPF Fund.

The details of the concerned Members including their folio number or DP ID - Client ID and the number of shares, transferred to the Demat Account of IEPF are available on the Company's website at www.aeonx.digital.

B) Claim from IEPF Authority

Members or their legal heir, as the case may be, can claim the unclaimed dividend amount and / or shares transferred to IEPF by making an online application to the IEPF Authority through Form IEPF-5 available on the website of the Authority www.iepf.gov.in and in the manner specified under IEPF Rules

DISCLOSURES UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION & REDRESSAL) ACT, 2013

In accordance with the provisions of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company has put in place a Policy on Prevention of Sexual Harassment at Workplace, which provides for protection against sexual harassment of women employees at workplace and for prevention and redressal of such complaints.

The Company has constituted Internal Complaints Committee (ICC) and has 5 members in the ICC.

Disclosure for complaints received / disposed of by ICC for FY 2025-26:

- a. number of complaints filed during the financial year : Nil
- b. number of complaints disposed of during the financial year : Nil
- c. number of complaints pending as on end of the financial year : Nil

PENDING APPLICATION OR PROCEEDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016

There is no application made or proceeding pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016) during the year against the Company as at the end of the financial year.

COMPLIANCE WITH THE PROVISIONS OF MATERNITY BENEFIT ACT, 1961

The Company has complied with the provisions of Maternity Benefit Act, 1961 during the year.

DETAILS OF SETTLEMENT WITH THE BANKS OR FINANCIAL INSTITUTION

There is no one time settlement with the Banks or Financial Institutions for the FY 2025-2026.

ACKNOWLEDGMENT

The Board take this opportunity to express and place on record their appreciation for the continued support, cooperation, trust and assistance extended by shareholders, employees, customers, principals, vendors, agents, bankers, financial institutions, suppliers, distributors and other stakeholders of the Company.

SECRETARIAL AUDITOR'S CERTIFICATE

[Regulation 13 of SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021]

To,
The Board of Directors
Aeonx Digital Technology Limited
12/13, Jeevan Udyog Building,
278, Dr. D. N. Road, Fort,
Mumbai – 400001

We, M/s Jay Mehta & Associates, Practicing Company Secretary, have been appointed as the Secretarial Auditor of **Aeonx Digital Technology Limited (formerly known as Ashok Alco-Chem Limited)** (hereinafter referred to as “the Company”) by an ordinary resolution passed at the 33rd Annual General Meeting held on 23rd September 2025. This Certificate is issued under the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (hereinafter referred to as “the Regulations”) for the year ended March 31, 2026.

Management Responsibility

The management of the Company is responsible for the implementation of the Scheme(s), maintenance of proper records, designing processes to ensure compliance with all applicable laws, and that such systems are adequate and operate effectively.

Verification

For the purpose of issuing this Certificate, we have examined:

- a) Aeonx Digital Technology Employee Stock Option Plan (ESOP Plan).
- b) Memorandum and Articles of Association.
- c) Board and Committee Resolutions approving and implementing the ESOP Plan.
- d) Shareholder Resolution approving the ESOP Plan.
- e) Minutes of relevant Meeting(s).
- f) Pricing methodology or valuation reports.
- g) Disclosures under Regulation 10 to the Stock Exchange.
- h) Forms / Returns filed with the Registrar of Companies.
- i) Any other relevant documents and explanations provided for verification.

Opinion

In our opinion and based on the verification carried out and explanations provided:

- a) The Company has implemented the ESOP Plan in accordance with the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; and
- b) The ESOP Plan have been implemented in accordance with the resolution(s) passed by the Shareholders of the Company.

Assumptions & Limitations

- a. We have relied on the authenticity and completeness of the information and documents provided by the management.
- b. This Certificate is based on examination of records and is not an audit or assurance regarding the future performance or viability of the ESOP Plan or the Company.
- c. This Certificate is intended solely for compliance under Regulation 13 and shall not be used for any other purpose.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2026

To,
The Members,
Aeonx Digital Technology Limited,
12/13, Jeevan Udyog Building,
278, Dr. D. N. Road, Fort,
Mumbai - 400001

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Aeonx Digital Technology Limited (formerly known as Ashok Alco-Chem Limited)** (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable to the Company during the Audit period);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not applicable to the Company during the Audit period);
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (Not applicable to the Company during the Audit period);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 and The Securities and Exchange Board of India Registrars to an Issue and Share Transfer Agents) Regulations, 2025 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (Not applicable to the Company during the Audit period);
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not applicable to the Company during the Audit period);

- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (ii) No other laws / rules / regulations are specifically applicable to the Company.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Limited.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except for transfer to the IEPF Authority of the underlying equity shares pertaining to the unpaid / unclaimed dividend for FY 2017-18, which remained unpaid / unclaimed till FY 2024-25. However, the Company is in process of transferring the said Shares to the IEPF Authority.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there was no event / action which has major bearing on the Company's affairs in pursuance of the laws, rules, regulations, guidelines, standards, etc. referred to above.

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND
FOREIGN EXCHANGE EARNINGS AND OUTGO**

A. CONSERVATION OF ENERGY:

- a. The steps taken or impact on Conservation of energy – Nil
- b. The steps taken by the Company for utilizing alternate sources of energy – Nil
- c. The capital investment on energy conservation equipment – Nil

B. TECHNOLOGY ABSORPTION:

(i) the efforts made towards technology absorption;	During FY 2025-26, the Company continued to absorb next-generation enterprise technologies and industrialise them within its own proprietary product portfolio. As a BSE-listed enterprise technology company holding SAP Gold Partner, AWS Advanced Tier Partner, Google Cloud Select Tier Partner and Claude (Anthropic) Select Tier Services Partner status, ADTL kept product engineering and applied AI at the core of its business. The principal efforts included: • Proprietary product engineering: continued development and enhancement of the Company's nine proprietary products — SupplierX, OrderX, Xpense, Logystix, ManuFex (with the in-house FlexMRP™ scheduling engine), AeonXIQ, SetuMove, DataSetu and CRM-360 — each natively integrated with SAP. • Hanuman AI and an in-house language model: development of Hanuman AI, the Company's multi-tenant, agentic enterprise AI platform, powered by “Hanuman” — a proprietary, fine-tuned large language model built and self-hosted in-house, with frontier models used only as a controlled fallback. • AI at the core: absorption of production-grade AI into the AXIOM AI-AMS platform, the CloudLedger multi-cloud FinOps platform and DataSetu, together with embedded AI for contract-clause review, fraud and defect detection, receipt OCR, and predictive maintenance across the product suite. • SAP platform depth: deepening of RISE with SAP, GROW with SAP, S/4HANA, SAP BTP and SuccessFactors capabilities, with native integration of the Company's products to SAP MM, FI, CO, SD, TM, PP, PM and QM. • Multi-cloud & DevOps: cloud-native, multi-tenant architecture, tenant isolation, role-based access and 24×7 managed operations across AWS, Google Cloud and SAP BTP. These capabilities were absorbed in-house by a certified engineering and product team of 280+ professionals across the Company's India offices and are reflected directly in its products and delivery.
(ii) the benefits derived like product improvement, cost reduction, product development or Import substitution;	• Product development: strengthened the Company's intellectual property through its nine proprietary products, the Hanuman AI platform and its AI platforms (AXIOM, CloudLedger), with further products and AI agents under active in-house development. • Product improvement: embedded AI across the suite: AI-driven defect and warranty-claim handling (OrderX), fraud and duplicate-claim detection with OCR (Xpense), AI clause review and spend analytics (SupplierX), predictive maintenance and finite-capacity scheduling (ManuFex) and route optimisation (Logystix). • Cost reduction & measurable outcomes: customer deployments demonstrated up to 25% reduction in direct-materials spend, 80% faster expense reimbursement, 35% reduction in logistics turnaround time, 12% OEE uplift on the shop floor and 30% reduction in cloud waste.

	Import substitution & self-reliance: indigenously developed products substitute imported/foreign SaaS tools across source-to-pay, distribution, travel & expense, logistics, production planning and FinOps; and the in-house HanuMan model reduces dependence on foreign frontier AI models for core workloads.
(iii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year) — (a) the details of technology imported; (b) the year of import; (c) whether the technology has been fully absorbed; (d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof;	Not Applicable. The Company has not imported any technology during the last three financial years. All products, platforms and AI models are developed in-house on globally available cloud infrastructure, and there is no imported technology pending absorption.
(iv) the expenditure incurred on Research and Development.	The Company treats product engineering, applied AI and innovation as a core, continuing activity and maintains a dedicated in-house product and R&D team. During FY 2025-26, the Company incurred an expenditure of approximately ₹16 crore towards research, development and product engineering (averaging approximately ₹4 crore per quarter). This expenditure is embedded within the Company's product-development and delivery operations and is not separately capitalised.

A.FOREIGN EXCHANGE EARNING OUTGO:

Particulars	2025-26	2024-25
a. Foreign Exchange earned in terms of actual inflows during the year (F.O.B.)	32,66,685	6,25,912
b. Foreign Exchange outgo during the year in terms of actual outflows	3,00,36,060	10,10,953

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

At AeonX Digital Technology Limited, Corporate Governance is an integral part of our business philosophy and forms the foundation of sustainable growth. As a technology-driven organization enabling digital transformation through innovative business and cloud solutions, we are committed to conducting our business with the highest standards of integrity, transparency, accountability and ethical practices. Our governance framework promotes responsible decision-making, regulatory compliance and effective risk management, while fostering innovation and creating long-term value for our shareholders, customers, employees, business partners and the communities we serve.

The Company is in compliance with the requirements stipulated under the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 ("Listing Regulations"). The Company presents the Report on Corporate Governance for the financial year ended 31st March, 2026 in compliance with Regulation 34(3) read with Schedule V of the Listing Regulations.

Independent Directors

Independent Directors play a vital role in the governance process of the Board. With their expertise in various fields, they enrich the decision-making process at the Board.

The Company has received a declaration from the Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Act read with Regulation 16(1)(b) of the Listing Regulations. In terms of Regulation 25(8) of the Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstances or situations which exist or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

In the opinion of the Board, the Independent Directors fulfil the conditions of independence specified in the Act and the Listing Regulations and are independent of the management.

All the Independent Directors of the Company have been appointed as per the provisions of the Act and the Listing Regulations. Formal letters of appointment were duly issued to the Independent Directors. As required by Regulation 46 of the Listing Regulations, the terms and conditions of their appointment have been disclosed on the website of the Company at www.aeonx.digital.

None of the Directors on the Board serve as an Independent Director in more than seven listed companies.

During the year 2025-26, the Independent Directors once met on 04th February, 2026, *inter-alia*;

- To evaluate the performance of non-independent directors and the Board as a whole.
- To assess the quality, quantity and timelines of flow of information between the Company management and the Board that is necessary for the Board members to effectively and reasonably perform their duties.
- Other related matters.

Further, none of the Independent Director of the Company has, during the financial year, resigned before the expiry of his/her tenure as such.

Familiarization Programmes for Independent Directors

Whenever any new Independent Director is appointed, he/she is made familiar to the business and its operations through familiarization programs enabling them to familiarize and get acquainted with operational performance and forward going business formulations/strategies, so as to gain a better understanding of their roles, rights and responsibilities for the purpose of providing appropriate assistance, counselling & directions in order to achieve growth of the Company, the details of which are available on the website of the Company at www.aeonx.digital

As a part of such program, the Independent Directors have an opportunity to interact with Management Personnel and are provided with all the relevant information and documents required and/or sought by them enabling them to have a good understanding of the Company and various operations.

Performance Evaluation of the Board and Individual Directors

In terms of the applicable provisions of the Act, read with Rules made thereunder and the provisions of Listing Regulations, the annual evaluation of the Board, its Committee and of individual Directors has been made.

The evaluation framework for assessing the performance of Directors, *inter alia*, comprises of the following key areas:

- i. Expertise;
- ii. Objectivity and Independence
- iii. Guidance and support in context of the Company's operations;
- iv. Understanding of the Company's business;
- v. Understanding and commitment to duties and responsibilities;
- vi. Willingness to devote the time needed for effective contribution to Company;
- vii. Participation in discussions in effective and constructive manner at the Meetings;
- viii. Responsiveness in approach;
- ix. Ability to encourage and motivate the Management for continued performance and success.

Confirmation by the Board of Directors on Acceptance of Recommendation of Committees

The Board of Directors confirms that during the financial year, it has accepted all the recommendations received from its committees.

3. COMMITTEES OF THE BOARD

The Board has constituted the following committees and laid out terms of reference for each committee.

- (i) Audit Committee
- (ii) Nomination and Remuneration Committee
- (iii) Stakeholders' Relationship Committee

Mr. Krupal Upadhyay, Company Secretary and Compliance Officer acted as secretaries to all the committees constituted by the Board as on 31st March, 2026.

A. AUDIT COMMITTEE

 3. Major accounting entries involving estimates based on the exercise of judgment by management;
 4. Significant adjustments made in the financial statements arising out of audit findings;
 5. Compliance with listing and other legal requirements relating to financial statements;
 6. Disclosure of any related party transactions;
 7. Modified opinion(s) in the draft audit report;
- Reviewing, with the management, the quarterly financial statements before submission to the board for approval;
- Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency, monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to the board to take up steps in this matter;
- Reviewing and monitoring the auditor's independence and performance, and effectiveness of audit process;
- Approval or any subsequent modification of transactions of the Company with related parties;
- Scrutiny of inter-corporate loans and investments;
- Valuation of undertakings or assets of the Company, wherever it is necessary;
- Evaluation of internal financial controls and risk management systems;
- Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- Discussion with internal auditors of any significant findings and follow up there on;
- Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;
- Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors if any;
- To review the functioning of the whistle blower mechanism;
- Approval of appointment of Chief Financial Officer after assessing the qualifications, experience and background, etc. of the candidate;
- Carrying out any other function as is mentioned in the terms of reference of the audit committee;
- Reviewing the utilization of loans and/ or advances from/investment by the Company in its subsidiaries exceeding rupees 100 Crore or 10% of the asset size of the subsidiary, whichever is lower including existing loans / advances / investments;
- To consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the Company and its shareholders.

ii) the Company confirms with the compliance of Corporate Governance Report specified in sub-paras (2) to (10) of Para C of Schedule V to the Listing Regulations.

l) Disclosures under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (“the POSH Act”)

The details of the complaints filed, disposed off and pending at the end of the financial year under the Sexual Harassment of Women at Workplace (Prevention, Prohibition And Redressal) Act, related to sexual harassment has been disclosed in the Board's Report forming part of this Annual Report.

m) Credit Rating obtained by the Company

During the year, the Company had no outstanding loans hence obtaining credit rating is not applicable to the Company.

n) Fees paid to Statutory Auditors

The details of fees paid by the Company to the statutory auditor are mentioned in Note No. 30 (footnote no “i”) of Standalone Financials Statements. The statutory auditor of the company does not provide any service to subsidiary company of the Company.

o) Details of Loans and Advances in the nature of loan to Companies in which Directors are interested

Disclosure regarding any 'Loans and Advances' in the nature of loans to firms/companies in which directors are interested by the Company or any of its subsidiaries is mentioned in Note no 13 to the Accounts for the year under review.

**PRACTISING COMPANY SECRETARY'S CERTIFICATE
ON CORPORATE GOVERNANCE**

To,
The Members
Aeonx Digital Technology Limited
12/13, Jeevan Udyog Building,
278, Dr. D. N. Road, Fort,
Mumbai - 400001

We have examined the compliance of conditions of Corporate Governance by **Aeonx Digital Technology Limited (formerly known as Ashok Alco-Chem Limited)** (the Company) for the year ended on March 31, 2026, as stipulated in Regulation 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C to E of Schedule-V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. The examination is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representation by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated under Regulation 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 of and para C to E of Schedule-V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for the year ended 31st March 2026.

We further state that such compliance is neither an assurance to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members of
Aeonx Digital Technology Limited
12/13, Jeevan Udyog Building,
278, Dr. D.N. Road, Fort,
Mumbai -400001

We have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **Aeonx Digital Technology Limited (formerly known as Ashok Alco-Chem Limited)** having CIN L62099MH1992PLC069615 and having registered office at 12/13, Jeevan Udyog Building, 278, Dr. D.N. Road, Fort, Mumbai – 400001 (hereinafter referred to as 'the Company'), produced before us by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule-V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In our opinion and to the best of our information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to us by the Company & its officers, we hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2026 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority:

Sr. No.	Name of Director	DIN	Date of Appointment in Company
1.	Mr. Manan Chetan Shah	06378095	10 th August 2021
2.	Mr. Ketan Shrimankar	00452468	10 th August 2021
3.	Mr. Viraj Ajay Mehta	09226350	14 th August 2024
4.	Mrs. Akhila Agnihotri Samdaria	07028159	10 th February 2025

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. Our responsibility is to express an opinion on these based on our verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

For the Financial Year 2025-26

Cautionary Statement

Statements made under this section describing the Company's projections, estimates and expectations may be “forward-looking statements” within the meaning of applicable securities laws and regulations. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in government regulations, tax laws and other statutes and incidental factors. The information provided in the Economy Outlook and Industry Scenario Outlook sections is based on our internal study, which is without prejudice.

Although the expectations are based on reasonable assumptions, the actual results might differ.

Economy Outlook

The global economy enters 2026 on a steadier footing, navigating an environment defined by technological acceleration, an accelerating adoption of artificial intelligence and continuing geopolitical and trade-policy uncertainty. While the structural shifts in global supply chains of recent years persist, energy and commodity markets have largely stabilised and inflationary pressures have continued to ease, even as central banks remain vigilant.

According to the International Monetary Fund's World Economic Outlook Update of January 2026, global growth is projected at approximately 3.3% in 2026, a modest upward revision supported by technology investment, accommodative financial conditions and private-sector adaptability. The United States retains moderate momentum on the back of consumer spending and innovation, China continues to emphasise domestic consumption and technology self-reliance, and the Euro area, though facing structural headwinds, is seeing rising investment in green energy and AI-driven automation.

India remains a bright spot in the global growth story. As per the First Advance Estimates of the National Statistical Office (NSO), India's real GDP is estimated to grow by 7.4% in FY 2025-26, up from 6.5% in the previous year, driven by robust domestic demand, sustained infrastructure investment, a resilient services sector and a thriving digital economy. Consumption, accounting for over half of GDP, continues to expand, while exports are diversifying into high-value manufacturing and technology services.

India's digital transformation trajectory continues to accelerate — spurred by record data consumption, the deepening rollout of 5G, pervasive cloud adoption, the mainstreaming of generative and agentic AI across sectors, and government-led initiatives such as Digital India, the IndiaAI Mission and the Semiconductor Mission. Enterprises are aggressively moving toward cloud-native, AI-embedded and automation-led business models, creating fertile ground for technology partners like AeonX Digital to deliver transformative solutions.

Industry Scenario Outlook

Digital Technology Services

The fiscal year 2025-26 reinforces an inflection point for digital technology services. The convergence of cloud computing, artificial intelligence, IoT and industry-specific SaaS products continues to redefine operational models. Businesses are prioritising platform-led transformation over isolated technology deployments, seeking partners who can integrate strategy, execution, applied AI and managed services under one accountable relationship.

AeonX Digital is positioned as a next-generation transformation partner, delivering end-to-end solutions that blend SAP expertise, multi-cloud engineering, in-house AI innovation and niche industry products to meet sector-specific demands — particularly in source-to-pay, distribution management, travel and expense, logistics and manufacturing digitalisation. The Company holds SAP Gold Partner, AWS Advanced Tier Partner, Google Cloud Select Tier Partner and Claude (Anthropic) Select Tier Services Partner status, giving it accountable reach across the enterprise technology stack.

Cloud Computing

The cloud market in India and globally continues its rapid expansion, with hybrid and multi-cloud strategies becoming the norm. Enterprises are adopting AI-powered cloud architectures to enhance scalability, resilience and operational agility. AeonX Digital's Cloud Transformation Practice offers:

- Cloud migration and modernisation with zero-downtime execution.
- Cloud-native application development for business agility.
- Managed cloud services with security, compliance and cost optimisation, unified through the Company's CloudLedger FinOps and Multi-cloud Management Services across AWS, Google Cloud and SAP BTP.
- Industry-specific SAP-on-Cloud, RISE with SAP, GROW with SAP and AI-on-Cloud deployment expertise.

Artificial Intelligence & Automation

AI is no longer experimental — it is foundational to competitive advantage. From generative and agentic AI to predictive maintenance in manufacturing, AI is reshaping cost structures and the speed of innovation. During the year, the Company deepened its AI capabilities and advanced Hanuman AI, its own multi-tenant, agentic enterprise AI platform powered by “HanuMan”, a proprietary, fine-tuned large language model built and self-hosted in-house — reducing dependence on foreign frontier models, which are retained only as a controlled fallback. AeonX Digital's AI capabilities span:

- Generative and agentic AI for decision-making, including enterprise agents such as KYE (Know Your Employee), an HR Assistant, ABAP Code Studio and a SAP Basis Agent delivered through Hanuman AI.
- Predictive analytics for supply chain and asset management.
- AI-driven invoice, procurement and expense automation.
- Industry 4.0 enablement through IIoT data intelligence and the Company's DataSetu / ConnectX integration layer.

Niche Product Services

With a strong and expanding portfolio of proprietary solutions, AeonX Digital delivers highly specialised, domain-specific platforms that integrate seamlessly with ERP and cloud ecosystems. The Company's nine proprietary products span procurement, distribution, expense control, logistics, manufacturing, analytics, integration and customer engagement — enabling measurable efficiency and ROI for clients:

- **SupplierX** — intelligent Source-to-Pay; **OrderX** — intelligent Distribution Management; **Xpense** — intelligent Travel & Expense.
- **Logystix** — intelligent Logistics Operations; **ManuFex** — intelligent Production Planning & Execution (with the in-house FlexMRP™ engine).
- **AeonXIQ** — AI analytics & decision intelligence; **SetuMove** — connected enterprise movement; **DataSetu** — enterprise data integration; **CRM-360** — 360° customer relationship management.

These products cater to procurement, expense control, logistics optimisation, production planning and customer engagement, and are increasingly delivered as scalable, subscription-based SaaS offerings.

Segment-wise Performance

The Company operates predominantly in a single business segment — enterprise digital technology products and services. Segment-wise performance of the Company is included in the performance of the Company and its subsidiaries as disclosed elsewhere in this Annual Report and the financial statements.

Opportunities, Threats, Risks and Concerns

Opportunities

- Surging demand for AI-enabled cloud transformation across industries.
- Expansion potential in niche SaaS platforms for procurement, distribution, expense, logistics and manufacturing automation.
- First-mover advantage in AI-powered ERP extensions, agentic enterprise AI and industry-specific GenAI applications built on the Company's in-house model.
- Exporting digital solutions and products from India to global markets, leveraging cost efficiency and domain expertise.

Threats

- Rapid technology evolution may shorten product lifecycles, demanding accelerated innovation
- Intensifying competition from hyperscalers, global consulting giants and specialised start-ups
- Geopolitical instability affecting supply chains and cross-border service delivery.

Risks

- Cybersecurity and data-privacy risks amplified by AI and cloud proliferation.
- Regulatory changes in AI governance, data residency and industry-specific compliance could require rapid adaptation.

Concerns

- Talent availability in AI, cloud and cybersecurity remains a bottleneck.
- Balancing rapid innovation with profitability during global macroeconomic fluctuations.

Futuristic Scope for AeonX Digital

Looking ahead, AeonX Digital aims to:

- Expand AI-driven industry solutions with predictive and prescriptive intelligence, and scale the Hanuman AI platform and its in-house language model across enterprise use-cases.
- Grow platform-as-a-service offerings for SupplierX, OrderX, Xpense, Logystix and ManuFex to scale globally.
- Invest in edge AI and IoT integration for manufacturing and logistics. • Develop sovereign-cloud and industry-compliant AI models for manufacturing, mills and mining and retail sectors.

Details of Significant Changes in Key Financial Ratios:

Particulars	FY 25-26	FY 24-25
Debtors Turnover Ratio (Number of Days)* (Avg Debtors/Sale)	47	104
Interest Coverage Ratio* (EBIT/Interest)	-	-
Current Ratio (CA/CL)	3.16	5.10
Operating Profit Margin (in %)* (EBIT)/net revenue	-1.76%	17.93%
Net Profit Margin (in %)* Net Profit/ net revenue	-2%	12%
Return on Capital Employed (in %)* EBIT/Capital Employed	-2%	10%

* Change in ratios is due to decrease in profitability and volume as compared to previous years.

Independent Auditor's Report

TO
THE MEMBERS OF
AEONX DIGITAL TECHNOLOGY LIMITED

Report on the Audit of the Standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of **AEONX DIGITAL TECHNOLOGY LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2026, the Standalone Statement of Profit and Loss (including other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year ended on that date and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, the Loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How the matter was addressed in our Audit
Intangible Assets The company invests heavily in developing its digital platform and capitalising these costs requires meeting strict accounting criteria and rapid technological changes and also create a risk of obsolescence. Considering the materiality of amounts involved and significant management judgements required in Capitalisation this matter has been considered as a key audit matter for the current year audit.	Our audit procedures included, but were not limited to, the following: Assessment of Company's Accounting policies and we had discussion with the project manager to verify the development stage and allocation of costs to intangible assets under development and capitalisation of the same and evaluating the useful life of the assets taking to consideration obsolescence

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Director's Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to

report that fact. We have nothing to report in this regard on the even date.

Responsibility of Management and Board of Directors for the Standalone financial statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's standalone financial statements process.

Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system, in relation to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except as described in para 2 (i) (vi) below.
 - (c) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph (2)(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Rule 7 of the Companies (Account) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the director is disqualified from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of change in Equity and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal controls over the standalone financial statement.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, the company has not paid any remuneration to its directors during the year.
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company, as detailed in Note 31 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31st March, 2026.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Funds of the Company.

- iv. a) The Management has represented that, to the best of its knowledge and belief no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The Management has represented that, to the best of its knowledge and belief no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures performed that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) of Rule 11(e) mentioned above contain any material mis-statement.
- d) The dividend paid by the Company during the year, in respect of previous year ended 31 March 2025, is in accordance with section 123 of the Act to the extent it applies to payment of dividend. The company has not proposed any dividend for the year under review.
- e) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of accounting software where the audit trail has been enabled and the audit trail has been preserved by the Company as per the statutory requirements for record retention

**“Annexure A” to the Independent Auditors' Report
of even date on the Standalone financial statements of
AEONX DIGITAL TECHNOLOGY LIMITED**

**Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement'
of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2026:**

- 1) a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.

B. The Company has maintained proper records showing full particulars of intangible assets.

b) According to the information and explanations given to us and based on our examination of the records of the Company, all property, plant and equipment are verified at the year end. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were identified on such verification.

c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not hold any freehold / leasehold immovable properties.

d) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year.

e) According to the information and explanations given to us and based on our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- 2) a) The Company is engaged in service industry and does not carry any inventory and reporting under clause 3(iii) (a) is not applicable.

b) The Company has not been sanctioned a working capital limit in excess of Rs 5 Crores by banks based on security of current assets.
- 3) a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has granted loans to Companies, firms, limited liability partnerships or any other parties covered in the register maintained under Section 189 of the Companies Act, 2013 during the year. Aggregate amount of loan granted /renewed during the year - Rs. 35.50 Crores.

b) The schedule of repayment of the principal & interest is as stipulated in the agreement and payments are generally regular. There are no overdue amounts in respect of loans granted.

c) According to the information and explanations given to us and based on the audit procedures conducted by us, the terms and conditions of the grant of loans and advances in the nature of loans provided during the year are, prima facie, not prejudicial to the interest of the Company.
- 4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed maintenance of Cost records as per the provisions of Section 148 of The Companies Act, 2013.

- 7) a) According to information and explanations given to us and based on our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Goods and service tax, Income-Tax and any other statutory dues with the appropriate authorities.
- b) According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2026 for a period of more than six months from the date on when they become payable.
- c) The particulars of dues of Value Added Tax, Service Tax, Goods & Service Tax Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, Duty of Excise, Cess and other material statutory dues, at 31st March 2026 which have not been deposited on account of dispute are as follows:

Name of the Statute	Nature of Dues	Amount (INR in Lakhs)	Assessment Year's /Period to which the dues relates	Forum where the Dispute is pending
The Income Tax Act, 1961	Demand U/s 143 (3)	226.50	2011-2012	Commissioner of Income Tax (Appeals), Mumbai
The Income Tax Act, 1961	Demand U/s 143 (3)	340.48	2015 to 2016	Commissioner of Income Tax (Appeals), Mumbai
The Custom Act, 1962	Custom Duty	635.54	2017 to 2019	CESTAT
The Goods & Service Act. 2017	Goods & Service Tax	388.07	2019-2020	Additional/ Joint Commissioner -GST

- 8) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- 9) a) The Company has no loans outstanding and not defaulted in repayment of the loans or other borrowings or in the payment of interest thereon to any lender during the year.
- b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- c) The Company has not raised money by way of term loans during the year and accordingly clause 3 (ix) (c) of the Order is not applicable.
- d) In our opinion and according to the information and explanation given to us and on an overall examination of the Standalone financial statements of the Company, no funds raised on short-term basis have been applied for long term purpose.
- e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- 10) a) Based upon the audit procedures performed and the information and explanations given by the management, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, the provisions of clause 3 (x)(a) of the Order are not applicable to the Company.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares (fully, partially or optionally) or convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

- 11) a) Based upon the audit procedures performed and the information and explanations given by the management, considering the principles of materiality outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. In view of the above reporting under clause 3 (xi) (b) of the order is not applicable.
- c) To the best of our knowledge and according to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- 13) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- 14) a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as per the provisions of section 138 of the Act which is commensurate with the size and nature of its business.
- b) We have considered the reports issued by the Internal Auditors of the Company for the period under audit.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of Section 192 of the Act are not applicable to the Company.
- 16) a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a) of the Order are not applicable.
- b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(b) of the Order are not applicable.
- c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- d) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- 17) The Company has not incurred cash losses in the current nor in the immediately preceding financial year.
- 18) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- 19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit - report and we give neither any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- 20) In our opinion and according to the information and explanations given to us, provisions of Section 135 of the Act are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the order are not applicable.

“Annexure –B” to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **AEONX DIGITAL TECHNOLOGY LIMITED** (“the Company”) as of 31st March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over the standalone Ind AS financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over the standalone Ind AS financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with

generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Standalone Ind AS financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of The Financial Statements And Other Explanatory Information's For the Year Ended March 31, 2026

1. Corporate Information

Aeonx Digital Technology Limited ("the Company") is engaged in providing IT Software Services and Products. The company is a Public Limited Company incorporated and domiciled in India and has Registered Office at 12/13, Jeevan Udyog Building, 278, Dr. D. N. Road, Fort, Mumbai- 400 001. The Equity shares of the company are listed on Bombay Stock Exchange Limited (BSE).

The financial statements for the year ended 31.03.2026 were authorized for issue by the Company's Board of Directors on May 26, 2026.

2. Significant Accounting Policies

Basis of Preparation measurement and material Accounting Policies

These Standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and the presentation requirements of Division II of Schedule III to Companies Act, 2013 (IND AS compliant schedule III) as applicable to the standalone financial Statements.

These financial Statements are prepared on an accrual basis under the historical cost convention or amortised cost, except for the following assets and liabilities, which have been measured at fair value:

- i. Certain financial assets and liabilities (including derivative instruments) that are measured at fair value.
- ii. Defined Benefits Plans- Plan assets measured at fair value.

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency and all amounts are rounded off to the nearest lakhs (INR '00,000) upto two decimals, except when otherwise indicated.

Operating Cycle

Based on the nature of Services/ activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalent. The company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non- current .

SUMMARY OF MATERIAL ACCOUNTING POLICIES

Classification of Assets and Liabilities into Current/Non-current:

The All assets and liabilities in the Balance Sheet have been classified based on Current / Non-current classification.

An asset is classified as Current when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is expected to be realised within twelve months after the reporting period; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-current.

A liability is classified as Current when:

- It is expected to be settled in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as Non-current.

Deferred Tax Assets and Liabilities are classified as Non-current assets and liabilities.

2.1 Property, Plant and Equipment (PPE)

- PPE is recognised when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE (other than Freehold land and Capital Work-in-progress) are stated at cost less accumulated depreciation and impairment losses, if any. The initial cost of an asset comprises its purchase price, non-refundable purchase taxes and any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. Cost includes qualifying assets, borrowing costs capitalised in accordance with the company's accounting policy.
- Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increase the future benefits from its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.
- Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.
- An item of property, plant and equipment and any significant part initially recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset.) is included in the statement of profit and loss when the property, plant and equipment is de-recognized.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

- The property, plant and equipment acquired under finance leases is depreciated over the assets useful life or over the shorter of the assets useful life and the lease term if there is no reasonable certainty that the company will obtain ownership at the end of the lease term. Leasehold land is amortized on a straight line basis over the balance period of lease.
- Material items such as spare parts, stand-by equipment and service equipment are classified as and when they meet the definition of PPE, as specified in INDAS 16 on "Property, Plant and Equipment".
- The carrying amount of an item of PPE is derecognised upon disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the derecognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in Statement of Profit and Loss.

Capital Work-in-Progress

Property, Plant and Equipment which are not ready for intended use on the date of balance sheet are disclosed as capital

work-in-progress. It is carried at cost, such properties are classified and capitalised to the appropriate categories of Property, Plant and Equipment when completed and ready for intended use. Depreciation of these assets will be provided on the same basis as other property assets are ready for their intended use.

2.2 Depreciation

The Company depreciates Property, Plant and Equipment on Straight Line Method except for Computers, Vehicle & Office where depreciation is provided on Written Down Value Method over the estimated useful life prescribed in Schedule II to the Companies Act, 2013 from the dates the assets are ready for intended use after considering residual value.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

2.3 Intangible Assets and Amortisation

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their useful economic life.

Expenditure incurred on the development of intangible assets is capitalised as an Intangible Asset when the recognition criteria for capitalisation are met, including the technical feasibility of completing the asset, the intention and ability to complete and use or sell the Software .

The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.4 Impairment of Non-Financial Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets may have been impaired. If any such indication exists, the recoverable amount, which is the higher of its value in use or its fair value less costs of disposal of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

An impairment loss is recognised immediately in the Statement of Profit and Loss. When impairment subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but upto the amount that would have been determined, had no impairment loss been recognized for that asset or cash generating unit. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

2.5 Research and development

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products / systems are also charged to the Statement of Profit and Loss in the year it is incurred, unless a products technological feasibility has been established, in which case such expenditure is capitalized. These costs are charged to the respective

heads in the Statement of Profit and Loss in the year it is incurred. The amount capitalised comprises of expenditure that can be directly attributed or allocated on a reasonable and consistent basis for creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.6 Inventories

- Inventories are valued at lower of cost and net realizable value.
- Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.
- Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.7 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby net profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents include cash on hand, cash at banks, other short-term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value, as reduced by bank overdrafts.

2.8 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9 Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.

Provision is measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, the amount of provision is discounted using an appropriate pre-tax rate that reflects current market assessments of the time value of money and, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent Assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.

2.10 Revenue Recognition

- (i) Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of contract.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Revenue is recognised to the extent that it is probable that the economic benefits of a transaction will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.
- (iv) Rental Income is accounted as and when accrues.
- (v) Accumulated experience is used to estimate and provide for the discounts/rights of return, using the expected value method.
- (vi) The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customers.

2.11 Right of use assets

The company recognizes right of use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received, right of use assets are depreciated on a straight line basis over the shorter of the lease term and the estimated useful lives of the assets.

2.12 Leases

At the inception of an arrangement, it is determined whether the arrangement is or contains a lease and based on the substance of the lease arrangement, it is classified as a finance lease or an operating lease.

Finance Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee.

Assets under finance leases are capitalised at the commencement of lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments and a liability is created for an equivalent amount. Minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability.

Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease.

Operating Leases:

Lease agreements where risk and rewards incidental to ownership of an assets, substantially vests with the Lessor, are classified as operating lease.

2.13 Employee Benefits

(i) Short term employee benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus and ex-gratia falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered

(ii) Long-term benefits:

- **Defined Contribution Plan:**

Provident and Family Pension Fund:

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident in which both employees and the Company make monthly contributions at a specified percentage of the employee's eligible salary. Provident Fund classified as Defined Contributions Plans as the Company has no further obligation beyond making the contribution. The Company's contribution is charged to the statement of profit and loss as incurred.

- **Defined Benefit Plan:**

Gratuity:

The Company has an obligation towards gratuity, a defined benefits retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement or death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. The Company makes contribution to Aeonx Digital Technology Limited EMPL GGCA Scheme.

Remeasurement, comprising actuarial gains and losses and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or Loss. Past service cost is recognised immediately for both vested and the non-vested portion. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited taking into account the present value of available refunds and reductions in future contributions to the schemes.

Compensated Absences:

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is

recognized based on number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the period in which they arise.

Effective 21 November 2025, the Government of India has consolidated multiple existing labour legislation into a unified framework comprising four Labour Codes (collectively referred to as the 'New Labour Codes'). These legislative changes have revised the definition of wages for the purpose of computation of employee benefits and expanded the scope and eligibility of certain employees related social security benefits. Based on a detailed assessment carried out, the Company have evaluated the incremental impact arising from the implementation of the New Labour Codes. Considering the materiality, regulatory-driven and non-recurring nature of this impact, an incremental impact of Rs.79.03 lakhs have been recognized as an exceptional item in standalone and consolidated financial results for the year ended 31st March 2026.

Share based payment:

The Company operates equity-settled employee share based compensation plans, under which employees of the Company receive remuneration in the form of share-based payments in consideration of the services rendered.

The fair value of stock options (at grant date) is recognized as an expense in the Statement of Profit and Loss within employee benefits as employee share based payment expenses over the vesting period, with a corresponding increase in share-based payment reserve (a component of equity). The cumulative expenses recognized for equity settled transaction at each reporting date, until the vesting date, reflects the company best estimate of number of equity instruments that will ultimately vest. No expense is recognised for awards that do not ultimately vest, except for which vesting is conditional upon a market performance/ non-vesting condition. When the options are exercised, the Company issues fresh equity shares.

2.14 Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient future taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Minimum alternate Tax

MAT payable for a year is charged to the statement of profit and loss as current tax. The Company recognized MAT credit available in the statement of profit and loss as deferred tax with a corresponding asset only to the extent that there is probability that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The said asset is shown as 'MAT' Credit Entitlement' under Deferred Tax. The Company does not have probable certainty that it will pay normal tax during the specified period.

Current and Deferred Tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.15 Earnings Per Share

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

2.16 Foreign Currency Transactions

- i. Transactions in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date.
- ii. Non-monetary items that are measured at historical cost denominated in a foreign currency are translated using the exchange rate as at the date of initial transaction. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

iii. Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

iv. Transactions and balances

Foreign currency transaction are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transaction and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in statement of profit and loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/losses.

2.17 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value through Profit or Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial assets.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Other Comprehensive Income:

A financial asset shall be classified and measured at FVOCI, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at FVTPL unless it is measured at amortised cost or at FVOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Impairment of Financial Assets:

The impairment provision for Financial Assets is based on assumptions about risk of default and expected cash loss rates. The company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Credit Policy approved by the Company for bad debts considering past history of bad debts, instead of recognising allowance for expected credit loss based on provision matrix, which uses an estimated default rate, the Company makes provision for doubtful debts based on specific by Board. The Company will reassess the model periodically and make the necessary adjustments for loss allowance.

Derecognition of Financial Assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expires, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it

continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Financial Liabilities and Equity Instruments:

- **Classification as debt or equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

- **Equity instruments:**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Equity instruments issued by a Company are recognised at the proceeds received.

Derecognition of Financial Liabilities:

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

Offsetting:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Derivative Financial Instruments:

The Company enters mainly into foreign exchange forward contracts to mitigate the foreign currency exposure risk.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in Statement of Profit and Loss depends on the nature of the hedge relationship.

2.18 Critical Accounting Judgments and Key Sources of Estimation Uncertainty

The preparation of the financial statements requires the management to make judgements, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, incomes and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Key estimates, assumptions and judgements

The key assumptions concerning the future and other major sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

Income taxes

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits.

Property, Plant and Equipment/Intangible Assets

Property, Plant and Equipment/ Other Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Company's historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets.

Employee Benefit Plans

The cost of the defined benefit gratuity plan and other-post employment benefits and the present value of gratuity obligations and compensated absences are determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Effective 21 November 2025, the Government of India has consolidated multiple existing labour legislation into a unified framework comprising four Labour Codes (collectively referred to as the 'New Labour Codes'). These legislative changes have revised the definition of wages for the purpose of computation of employee benefits and expanded the scope and eligibility of certain employees related social security benefits. Based on a detailed assessment carried out, the Company have evaluated the incremental impact arising from the implementation of the New Labour Codes. Considering the materiality, regulatory-driven and non-recurring nature of this impact, an incremental impact of Rs. 79.03 lakhs have been recognized as an exceptional item in standalone and consolidated financial results for the year ended 31st March 2026.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculations, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Fair Value measurements of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets (Net Assets Value in case of units of Mutual Funds), their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Segment Reporting – Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic-segments.

Earnings per share

i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average numbers of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year

ii. Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdraft as they are considered an integral part of the company's cash management.

Other Bank Balances:

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits.

Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in normal course of business. Trade receivables are recognized initially at their transaction price and subsequently measured net of expected credit losses.

Non-current assets (or disposal groups) classified as held for disposal:

Assets are classified as held for disposal and stated at the lower of carrying amount and fair value less costs to sell. To classify any Asset as “Asset held for disposal” the asset must be available for immediate sale and its sale must be highly probable. Such assets or group of assets are presented separately in the Balance Sheet, in the line “Assets held for disposal”. Once classified as held for disposal, intangible assets and PPE are no longer amortised or depreciated.

Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

Impairment of Assets

The Company has used certain judgements and estimates to work out future projections and discount rates to compute value in use of cash generating unit and to access impairment. In case of certain assets independent external valuation has been carried out to compute recoverable values of these assets.

Provisions & Contingent liabilities

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances

Financial Risk Management and Policies

A. Capital Management

For the purpose of the Company's Capital Management, Capital includes issued Equity Share Capital and all Other Reserves attributable to the Equity shareholders of the Company. The Primary objective of the Company's Capital Management is to maximise the shareholder's value. The Company's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximise shareholder's value. The Company is monitoring Capital using debt equity ratio as its base, which is debt to equity. The Company monitors capital using debt-equity ratio, which is total debt divided by total equity.

Debt Equity Ratio - Total Debt divided by Total Equity

Particulars	As at March 31, 2026	As at March 31, 2025
Total Debt (₹ in Lakhs)	-	-
Total Equity (₹ in Lakhs)	4,524.23	4,520.59
Debt Equity Ratio	-	-

B. Financial Risk Management and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations in selected instances. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations. The company is exposed to market risk, credit risk, liquidity risk etc. The objective of the Company's financing policy are to secure solvency, limit financial risks and optimise the cost of capital. The Company's capital structure is managed using equity and debt ratios as part of the Company's financial planning.

a. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments. The Company has designed risk management frame work to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

The above mentioned risks may affect the Company's income and expenses, or the value of its financial instruments. The Company's exposure to and management of these risks are explained below:

i. Foreign Currency Risk:

The company is subject to the risk that changes in foreign currency values impact the company export and import.

The company is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to US Dollar and Euro.

(₹ in Lakhs)

Particulars	As at March 31, 2026		As at March 31, 2025	
	Amount in Foreign Currency	Amount in ₹	Amount in Foreign Currency	Amount in ₹
Foreign Currency Exposure(USD)				
Receivable	2,44,067.82	225.02	1,38,192.00	95.86
Payable	2,82,472.62	194.37	2,77,332.79	189.84
Netoff Receivable / (Payable)	(38,404.80)	30.65	(1,39,140.79)	(93.98)
Derivatives to hedge USD Exposure				
Options Contract - USD/INR	-	-	-	-
Net Exposure (USD)	(38,404.80)	30.65	(1,39,140.79)	(93.98)

ii. Foreign Currency Sensitivity:

The following table demonstrates the sensitivity to a 5% increase/decrease in foreign currencies exchange rates, with all other variables held constant 5% increase or decrease in foreign exchange rate will have the following impact on profit before tax.

(₹ in Lakhs)

Particulars	As at March 31, 2026		As at March 31, 2025	
	5% Increase	5% Decrease	5% Increase	5% Decrease
If INR has (Strengthened)/Weakened against USD & AED Net Impact on Profit and Loss (USD)	1.53	(1.53)	(4.70)	4.70

iii. Forward foreign exchange contracts/ Options/Derivatives

It is the policy of the Company to enter into forward foreign exchange contracts/Options to cover foreign currency payments in USD. The Company enters into contracts with terms upto 90 days. The Company's philosophy does not permit any speculative calls on the currency. It is driven by conservatism which guides that company follow conventional wisdom by use of Forward contracts in respect of Trade transactions.

The Company will alter its hedge strategy in relation to the prevailing regulatory framework and guidelines that may be issued by RBI, FEDAI or ISDA or other regulatory bodies from time to time. Based on the outstanding details of import payable and exports receivable (on event basis) the net trade exposure is arrived at (i.e. Imports - Exports = Net trade exposures).

Forward cover or options covers is obtained from Banks or Merchant House for each of the aggregated exposures and the Trade deal is booked. The forward cover deals are all backed by actual trade underlines and settlement of these contracts on maturity are by actual delivery of the hedged currency for settling the underline hedged trade transaction.

b. Credit Risk

Credit risk is the risk that counter party will not meet its obligation leading to a financial loss. The Company is exposed to credit risk arising from its operating activities primarily from trade receivables, financing activities and relating to parking of surplus funds as Deposits with Banks. The Company considers probability of default upon initial recognition of assets and where there has been a significant increase in credit risk and on an ongoing basis throughout the reporting period..

The carrying amount of Financial Assets represents the maximum credit exposure:

Financial Instruments and Cash Deposit:

Credit risk from balances with Banks and Financial Institutions is managed by the Company's finance department. Investments of surplus funds are made only with approved counter parties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and thereby mitigate financial loss through counterparty's potential failure to make payments.

Trade Receivables

The Marketing department has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, and in some cases bank references. Sale limits are established for each customer and reviewed periodically. Trade Receivables of the Company are typically unsecured, except export receivable which is covered through ECGC and to the extent of the security deposits/advances received from the customers or financial guarantees provided by the market organizers in the business. Credit risk is managed through credit approvals and periodic monitoring of the credit worthiness of customers to whom credit terms in the normal course of business are provided. The allowance for impairment of Trade receivables is created to the extent and as and when required, based on the actual collectability of accounts Receivables. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The Company measures the expected credit loss of trade receivables and loans from customers based on historical trend, industry practises and the business environment in which the entity operates. Loss rates are based on actual credit loss exposure and past trends.

c. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The company maintains a cautious liquidity strategy, with a positive cash balance throughout the year. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. Cash flow from operating activities provides the funds to service and finance the financial liabilities on a day-to-day basis.

The below table provides details regarding the remaining contractual maturities of Company's financial liabilities:

(₹ in Lakhs)

Particulars	Less than 1 Year	More than 1 year	Total
As at March 31, 2026

Note 37

Employee Benefits

The Company has classified various employee benefits as under:

A. Defined Contribution Plans

- a. Provident Fund
- b. State Defined Contribution Plans
- i. Employers Contribution to Employees Pension Scheme 1995

The Provident Fund is operated by the Regional Provident Fund Commissioner and is administered by the LIC of India as applicable for all eligible employees. Under the schemes, the Company is required to contribute a specified percentage of payroll costs to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Company has recognised the following amounts in the Statement of Profit and Loss:

(₹ in Lakhs)

Particulars	Year Ended March 31, 2026	Year Ended March 31, 2025
a. Contribution to Provident Fund	55.30	20.58
b Contribution to Employees' Pension Scheme	35.96	22.00
Total	91.27	42.58

B. Defined Benefit Plans

a. Gratuity

The Company operates a gratuity plan covering qualifying employees. Under the gratuity plan, the eligible employees are entitled to post retirement benefit at the rate of 15 days salary for each year of service until the retirement age of 58, subject to a payment ceiling of ₹ 20 lakhs. The benefit vests upon completion of five years of continuous service as per "The Payment of Gratuity Act" and once vested it is payable to the employee on retirement or on termination of employment. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Gratuity is defined benefit plan and Company is exposed to following Risks:

Investment risk - The funds are invested by LIC and they provide returns basis the prevalent bond yields, LIC on an annual basis requests for contributions to the fund, while the contribution requested may not be on the same interest rate as the bond yields provided, basis the past experience it is low risk.

Interest Risk – LIC does not provide market value of assets, rather maintains a running statement with interest rates declared annually – The fall in interest rate is not therefore offset by increase in value of Bonds, hence may pose a risk.

Mortality Risk - Since the benefits under the plan is not payable for the life time and payable till retirement age only, plan does not have any longevity risk.

Salary risk - The liability is calculated taking into account the salary increases, basis past experience of the Company's actual salary increases with the assumptions used, they are in line, hence this risk is low risk.

Gratuity Valuation

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

Particulars	Valuations as at	
	March 31, 2026	March 31, 2025
i . Discount Rate (per annum)	7.87%	6.99%
ii. Rate of Increase in Compensation Levels (per annum)	5.00%	5.00%
iii. Mortality Rate During The Employment	Indian Assured Lives Mortality (2012-14) Projected Unit Credit Method	
iv. Acturial Valuation Method		
v. Attrition Rate	Upto Age 45: 2% 46 and above: 1%	Upto Age 45: 2% 46 and above: 1%
vi. Retirement Age	58 Years	58 Years

- vii. The expected rate of return on plan assets is determined after considering several applicable factors such as the composition of the plan assets, investment strategy, market scenario, etc. In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified.
- viii. The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.
- ix. The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

Delta Effect of -1% Change in Rate of Employee Turnover	(4.67)	(1.17)

Note on Sensitivity Analysis

- Sensitivity analysis for each significant actuarial assumptions of the Company which are discount rate and salary assumptions as of the end of the reporting period, showing how the defined benefit obligation would have been affected by changes is called out in the table above.
 - In presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.
 - There is no change in the method from the previous period and the points /percentage by which the assumptions are stressed are same to that in the previous year.
- b. Privilege Leave Encashment (Unfunded)**
Under the compensated absences plan, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement, superannuation or resignation at the rate of last drawn daily salary, as per current accumulation of leave days.

Share based payment

Aeonx Digital Technology Employee Stock Option Plan, 2025 ('ESOP 2025' or the 'Plan') was approved by the Board of Directors and the shareholders of the Company on 10th February, 2025. The plan entitles employees of the Company and its subsidiaries to purchase shares in the Company at the stipulated exercise price, subject to compliance with vesting conditions. A description of the share based payment arrangement of the Company is given below:

Particulars	Aeonx Employee Stock Option Plan 2025
Exercise Price	10
Vesting conditions	46000 Options for 12 months after the grant date
Exercise period	Stock options can be exercised within a period of 12 months from the grant date
Number of share options granted	46000
Method of settlement	Equity

Particulars	Number of options	Weighted average exercise price per option
As at 1st April, 2025	11,500.00	-
Granted during the year	34,500.00	-
Granted as at 31st March, 2026	46,000.00	10
Weighted average remaining contractual life (in years)	3.5	-

The total amount to be expensed over the vesting period is determined by reference to the fair value of the options granted. The fair values of options granted were determined using Black-Scholes option pricing model that takes into account factors specific to the share incentive plans along with other external inputs. Expected volatility has been determined by reference to the average volatility for comparable companies for corresponding option term. The following principal assumptions were used in the valuation.

Grant date	28.05.2025	04.02.2026
Vesting date	27.05.2026	03.02.2027
Expiry date	26.05.2026	02.02.2027
Fair value of option at grant date	152.5	152.5
Exercise price	-	
Expected volatility of returns	131.30%	131.30%
Weighted average contractual life (in years)	3.5	3.5
Expected dividend yield	0.72%	0.72%
Risk free interest rate	6.20%	6.20%

Consolidated Independent Auditor's Report

To
The Members of
AEONX DIGITAL TECHNOLOGY LIMITED

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Report on Audit of the Consolidated Financial Statements

Key Audit Matters

Opinion

We have audited the accompanying consolidated financial statements of AEONX DIGITAL TECHNOLOGY LIMITED (hereinafter referred to as "the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the Consolidated significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and other financial information of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2026, the consolidated profit and other comprehensive income, consolidated statement changes in equity and its consolidated cash flows for the year ended on that date.

Key Audit Matters	How the matter was addressed in our Audit
Intangible Assets The company invests heavily in developing its digital platform and capitalising these costs requires meeting strict accounting criteria and rapid technological changes and also create a risk of obsolescence. Considering the materiality of amounts involved and significant management judgements required in Capitalisation this matter has been considered as a key audit matter for the current year audit.	Our audit procedures included, but were not limited to, the following: Assessment of Company's Accounting policies and we had discussion with the project manager to verify the development stage and allocation of costs to intangible assets under development and capitalisation of the same and evaluating the useful life of the assets taking to consideration obsolescence

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

the consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India.

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the company's financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the

consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances under section 143 (3) (i) of the Act. We are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction,

supervision and performance of the audit of financial information such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have compiled with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

We did not audit the financial statement/financial information of subsidiary whose financial statement/financial information reflect total assets of Rs. 806.73 lacs as at 31st March, 2026, total revenues of Rs.1451.14 lacs total net profit after tax of Rs.29.50 lacs, total comprehensive income of Rs.29.50 lacs and net cash outflows of Rs.145.15 lacs for the year ended March 31, 2026 as considered in the consolidated financial statements. The financial statement/financial information are audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on reports of such other auditors.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors and the financial

statements and other financial information certified by the management.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries as noted in the 'other matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law for preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and report of the other auditors except for the matters stated in paragraph 2(i)(vi) below on reporting under Rule 11(g).
 - c) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph (2)(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act read with the Rule 7 of the Companies (Account) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2026 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company, none of the directors of the Group's companies is disqualified from being appointed as a director in terms of section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our

information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements of the subsidiary as noted in the 'Other Matter' paragraph:

- i) The consolidated financial statements discloses the impact of pending litigations on its consolidated financial position of the group.
- ii) The Group did not have any material foreseeable losses, on long-term contracts including derivative contracts.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Funds by the Holding Company, its subsidiary incorporated in India during the year ended 31st March, 2026.
- iv) a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Holding Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures performed that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) of Rule 11(e) mentioned above contain any material mis-statement.
- v) The dividend declared in the previous and paid during the year by the Holding Company is in compliance with

Section 123 of the Act. No dividend has been declared for the year under review.

- h) Based on our examination which included test checks, the Group has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software.
- 2) With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the Consolidated Financial Statements to which reporting under CARO is applicable, as provided to us by the Management of the Holding Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements.

**“Annexure – A” TO THE INDEPENDENT AUDITORS' REPORT
on Consolidated Financial Statements**

**Report on the Internal Financial Controls over Financial Reporting under Clause (I)
of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of consolidated Ind AS financial statements of the company as of and for the year ended 31st March, 2026, we have audited the internal financial controls over financial reporting of **AEONX DIGITAL TECHNOLOGY LIMITED** (“the Holding Company”) and its subsidiary (the holding company and its subsidiary together referred to as “the Group”) for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the holding company and its subsidiary which are incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors as referred to in the Other Matters paragraph the Holding Company and its Subsidiary have in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by these entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over the financial reporting in so far as it relates to subsidiary company, which is the Company incorporated in India, is based on the corresponding reports of the auditors of such Company incorporated in India.

Notes Forming Part of The Consolidated Financial Statements And Other Explanatory Information's For the Year Ended March 31, 2026

1 Corporate Information

Aeonx Digital Technology Limited (“the Company” or “the Holding Company”) is a public limited Company incorporated and domiciled in India and has Registered Office at 12/13, Jeevan Udyog Building, 278, Dr. D.N.Road, Fort, Mumbai- 400 001. The Equity shares of the company are listed on Bombay Stock Exchange Limited (BSE).

The Company and its wholly owned subsidiary (jointly referred to as the “Group” herein under) are engaged interalia, in the business of providing Cloud Database Solutions and ERP Support Services.

The consolidated financial statements for the year ended March 31, 2026 were approved and authorized for issue by the Company's Board of Directors on May 26, 2026.

2 Significant Accounting Policies

A Basis of Consolidation

The consolidated financial statements of the Group have been prepared and presented in accordance with Indian Accounting Standards (IND AS) as per Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules, 2016 as notified under section 133 of Companies Act, 2013 (the “Act”) and other relevant provisions of the Act.

These consolidated financial statements have been prepared on a historical cost convention on accrual basis, except for certain financial assets and financial liabilities (including derivative instruments), which are measured at fair value.

The consolidated financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under IND AS 110 - Consolidated Financial Statements, as specified in the IND AS notified by the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

All assets and liabilities have been classified as current or non-current as per the Group services provided normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products, services provided and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle up to twelve months for the purpose of current – non-current classification of assets and liabilities.

Material Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Certain comparative figures have been reclassified, wherever necessary, to conform to the presentation adopted in the consolidated financial statements. These reclassifications were not significant and have no impact on the total assets, total liabilities, total equity and profit of the Group.

B Principles of Consolidation

The consolidated financial statements comprise the financial statements of the Holding Company and all of its Subsidiary. The financial statements of the Subsidiary forming part of these consolidated financial statements are drawn up to 31 March 2026. All material inter-company transactions and balances are eliminated on consolidation.

Subsidiary Companies considered in the Consolidated Financial Statements is:

Name of the Company	Country of Incorporation	Parent’s holding as at March 31, 2026	Parent’s holding as at March 31, 2025	Financial Year ends
a. Particulars of Subsidiary				
i Aeonx Digital Solutions Private Limited	India	100.00%	100.00%	March 31

Subsidiary

Subsidiary are all entities over which the Group exercises control. The Group controls an entity when the Group is exposed to or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct relevant activities of the entity. Subsidiary are fully consolidated from the date on which the control is transferred to the Group and are deconsolidated from the date the control ceases.

The financial statements of the Holding Company and its Subsidiary have been consolidated on a line-by-line basis by adding together like items of assets, liabilities, equity, income and expenses, after fully eliminating intra- group transactions, intra-group balances, and resulting unrealised profits or losses, unless cost cannot be recovered, as per the applicable accounting standard.

Accounting policies of the respective Subsidiary are aligned wherever necessary so as to ensure consistency with the accounting policies that are adopted by the Group under IND AS.

Profit or loss of Subsidiary acquired or disposed during the year is recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable.

Excess of acquisition cost over the carrying amount of the Holding Company's share of equity of the acquiree at the date of acquisition is recognised as goodwill. In cases where the share of the equity in the acquiree as on the date of acquisition is in excess of acquisition cost, such excess of share in equity is recognised as 'Capital reserve on acquisition' and classified under 'Reserves and Surplus'.

C Basis of Preparation

These Consolidated Financial Statements of the Group have been prepared in accordance with Indian Accounting Standards (IND AS) prescribed under section 133 of the Companies Act 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amended Rules, 2016.

These consolidated financial Statements are prepared on an accrual basis under the historical cost convention or amortised cost, except for the following assets and liabilities:

- i. Certain financial assets and liabilities that are measured at fair value.
- ii. Employee's Defined Benefit Plan measured as per independent actuarial valuation.
- iii. Share-based payments that are measured at fair value.

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Group functional currency and all amounts are rounded off to the nearest lacs (INR '00,000) up to two decimals, except when otherwise indicated.

2.1 Property, Plant and Equipment (PPE)

- PPE is recognised when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE (other than Freehold land and Capital Work-in-progress) are stated at cost less accumulated depreciation and impairment losses, if any. The initial cost of an asset comprises its purchase price, non-refundable purchase taxes and any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. Cost includes qualifying assets, borrowing costs capitalised in accordance with the Group accounting policy.
- If significant parts of an item of PPE have different useful lives, then those are accounted as separate items (major components) of PPE.

- Material items such as spare parts, stand-by equipment and service equipment are classified as and when they meet the definition of PPE, as specified in Ind AS 16 on “Property, Plant and Equipment”.
- The carrying amount of an item of PPE is derecognised upon disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the derecognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in Statement of Profit and Loss.

Capital Work-in-progress

Property, plant and equipment which are not ready for intended use on the date of balance sheet are disclosed as capital work-in-progress. It is carried at cost, such properties are classified and capitalised to the appropriate categories of Property, Plant and Equipment when completed and ready for intended use. Depreciation of these assets, will be provided on the same basis as other property assets are ready for their intended use.

2.2 Depreciation

The Company depreciates Property, Plant and Equipment on Straight Line Method except for Computers, Vehicle & Office Equipment where depreciation is provided on Written Down Value Method over the estimated useful life prescribed in Schedule II to the Companies Act, 2013 from the dates the assets are ready for intended use after considering residual value.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

The Group has assessed the estimated useful lives of its PPE and has adopted the useful lives and residual value as prescribed therein.

2.3 Intangible Assets and Amortisation

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis.

Expenditure incurred on the development of intangible assets is capitalised as an Intangible Asset when the recognition criteria for capitalisation are met, including the technical feasibility of completing the asset, the intention and ability to complete and use or sell the Software.

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.4 Impairment of non-financial assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets may have been impaired. If any such indication exists, the recoverable amount, which is the higher of its value in use or its fair value less costs of disposal, of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

An impairment loss is recognised immediately in the Statement of Profit and Loss. When impairment subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but up to the amount that would have been determined, had no impairment loss been recognized for that asset or cash generating unit. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

2.5 Research and Development:

Revenue expenditure on Research and Development is charged to Statement of Profit and Loss in the year in which it is incurred. Capital expenditure on Research and Development is considered as an addition to Property, Plant and Equipment/ Intangible Assets.

2.6 Inventories

- Inventories are valued at lower of cost and net realizable value.
- Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.
- Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.7 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby net profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Groups are segregated.

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents include cash on hand, cash at banks, other short-term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value, as reduced by bank overdrafts.

2.8 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.09 Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.

Provision is measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, the amount of provision is discounted using an appropriate pre-tax rate that reflects current market assessments of the time value of money and, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent Assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.

2.10 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits of a transaction will flow to the Group and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of Goods

Revenue from sale of goods and services is recognised upon transfer of significant risks and rewards of ownership of the goods to the customer, while neither continuing managerial involvement nor effective control over the goods sold is retained. Sales exclude Goods and Service Tax (GST). It is measured at fair value of consideration received or receivable, net of returns, rebates and discounts.

Rental Income

Rental Income is accounted as and when accrues.

Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably . Interest income is accrued on a timely basis, by reference to the principal outstanding and at the effective interest rate applicable. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

Dividends

Dividend Income is accounted for when Group right to receive income is established.

2.11 Leases

At the inception of an arrangement, it is determined whether the arrangement is or contains a lease and based on the substance of the lease arrangement, it is classified as a finance lease or an operating lease.

Finance Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee.

Assets under finance leases are capitalised at the commencement of lease at the fair value of the leased property or, if

lower, the present value of the minimum lease payments and a liability is created for an equivalent amount. Minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability.

Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease.

Operating Leases:

Lease agreements where risk and rewards incidental to ownership of an assets, substantially vests with the Lessor, are classified as operating lease.

2.12 Employee Benefits

(i) Short term employee benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus and ex-gratia falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

(ii) Long-term benefits:

- **Defined Contribution Plan:**

Provident Fund:

The eligible employees of the Groups are entitled to receive post-employment benefits in respect of provident fund, in which both employees and the Group make monthly contributions at a specified percentage of the employee's eligible salary. Provident Fund classified as Defined Contributions Plans as the Group has no further obligation beyond making the contribution. The Group contribution is charged to the statement of profit and loss as incurred.

- **Defined Benefit Plan:**

Gratuity:

The Group has an obligation towards gratuity, a defined benefits retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement or death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. the cost of providing benefits is determined using the

Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. The Group makes contribution to Aeonx Digital Technology Limited EMPLGGCA scheme based thereon.

Remeasurement, comprising actuarial gains and losses and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or Loss. Past service cost is recognised immediately for both vested and the non-vested

portion. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited taking into account the present value of available refunds and reductions in future contributions to the schemes.

Compensated absences:

The Group provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is recognized based on number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the period in which they arise.

Effective 21 November 2025, the Government of India has consolidated multiple existing labour legislation into a unified framework comprising four Labour Codes (collectively referred to as the 'New Labour Codes'). These legislative changes have revised the definition of wages for the purpose of computation of employee benefits and expanded the scope and eligibility of certain employees related social security benefits. Based on a detailed assessment carried out, the Company have evaluated the incremental impact arising from the implementation of the New Labour Codes. Considering the materiality, regulatory-driven and non-recurring nature of this impact, an incremental impact of Rs.79.03 lakhs have been recognized as an exceptional item in standalone and consolidated financial results for the year ended 31st March 2026.

Share based payment

The Company operates equity-settled employee share based compensation plans, under which employees of the Company receive remuneration in the form of share-based payments in consideration of the services rendered.

The fair value of stock options (at grant date) is recognized as an expense in the Statement of Profit and Loss within employee benefits as employee share based payment expenses over the vesting period, with a corresponding increase in share-based payment reserve (a component of equity). The cumulative expenses recognized for equity settled transaction at each reporting date, until the vesting date, reflects the company best estimate of number of equity instruments that will ultimately vest. No expense is recognised for awards that do not ultimately vest, except for which vesting is conditional upon a market performance/ non-vesting condition. When the options are exercised, the Company issues fresh equity shares.

2.13 Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary

differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient future taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and Deferred Tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.14 Earnings Per Share

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

2.15 Foreign Currency Transactions

Transactions in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date.

Non-monetary items that are measured at historical cost denominated in a foreign currency are translated using the exchange rate as at the date of initial transaction. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

2.16 Financial Instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value through Profit or Loss) are added to or

deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (“FVOCI”) or fair value through profit or loss (“FVTPL”) on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial assets.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Other Comprehensive Income:

A financial asset shall be classified and measured at FVOCI, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest

expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Impairment of financial assets:

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Group past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Credit Policy approved by the Group for bad debts considering past history of bad debts, instead of recognising allowance for expected credit loss based on provision matrix, which uses an estimated default rate, the Group makes provision for doubtful debts based on specific by Board. The Group will reassess the model periodically and make the necessary adjustments for loss allowance.

Derecognition of financial assets:

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expires, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Group retains an option to repurchase part of a transferred asset), the Group allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Financial liabilities and equity instruments:

- Classification as debt or equity:
Debt and equity instruments issued by the Groups are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.
- Equity instruments:
An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Equity instruments issued by a Group are recognised at the proceeds received.

Derecognition of financial liabilities:

The Group derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. The Group also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

Offsetting:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Derivative Financial Instruments:

The Group enters mainly into foreign exchange forward contracts to mitigate the foreign currency exposure risk.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in Statement of Profit and Loss depends on the nature of the hedge relationship.

2.17 Critical Accounting Judgments and Key Sources of Estimation Uncertainty

The preparation of the financial statements requires the management to make judgements, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, incomes and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Key estimates, assumptions and judgements

The key assumptions concerning the future and other major sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

Income taxes

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits.

Property, Plant and Equipment/Intangible Assets

Property, Plant and Equipment/ Other Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Group historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets.

Employee Benefit Plans

The cost of the defined benefit gratuity plan and other-post employment benefits and the present value of gratuity obligations and compensated absences are determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Effective 21 November 2025, the Government of India has consolidated multiple existing labour legislation into a unified framework comprising four Labour Codes (collectively referred to as the 'New Labour Codes'). These legislative changes have revised the definition of wages for the purpose of computation of employee benefits and expanded the scope and eligibility of certain employees related social security benefits. Based on a detailed assessment carried out, the Company have evaluated the incremental impact arising from the implementation of the New Labour Codes. Considering the materiality, regulatory-driven and non-recurring nature of this impact, an incremental impact of Rs. 79.03 lakhs have been recognized as an exceptional item in standalone and consolidated financial results for the year ended 31st March 2026.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculations, based on the Group past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Group reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Fair Value measurements of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets (Net Assets Value in case of units of Mutual Funds), their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Impairment of Assets

The Group has used certain judgements and estimates to work out future projections and discount rates to compute value in use of cash generating unit and to assess impairment. In case of certain assets independent external valuation has been carried out to compute recoverable values of these assets.

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Earnings per share

i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average numbers of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year

ii. Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdraft as they are considered an integral part of the company's cash management.

Other Bank Balances:

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits.

Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in normal course of business. Trade receivables are recognized initially at their transaction price and subsequently measured net of expected credit losses.

Non- current assets (or disposal groups) classified as held for disposal:

Assets are classified as held for disposal and stated at the lower of carrying amount and fair value less costs to sell.

To classify any Asset as “Asset held for disposal” the asset must be available for immediate sale and its sale must be highly probable. Such assets or group of assets are presented separately in the Balance Sheet, in the line “Assets held for disposal”. Once classified as held for disposal, intangible assets and PPE are no longer amortised or depreciated.

Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

Provisions & Contingent liabilities

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Classification of Assets and Liabilities into Current/Non-current:

The Group presents assets and liabilities in the Consolidated Balance Sheet based on Current / Non-current classification.

An asset is classified as Current when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is expected to be realised within twelve months after the reporting period; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-current.

A liability is classified as Current when:

- It is expected to be settled in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as Non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

Deferred Tax Assets and Liabilities are classified as Non-current assets and liabilities.

Operating cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Group normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Financial Risk Management and Policies

A. Capital Management

For the purpose of the Group Capital Management, Capital includes issued Equity Share Capital and all Other Reserves attributable to the Equity shareholders of the Group. The Primary objective of the Group Capital Management is to maximise the shareholder's value. The Group Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximise shareholder's value. The Group is monitoring Capital using debt equity ratio as its base, which is debt to equity. The Group monitors capital using debt-equity ratio, which is total debt divided by total equity.

Debt Equity Ratio - Total Debt divided by Total Equity

Particulars	As at March 31, 2026	As at March 31, 2025
Total Debt (₹ in Lakhs)	-	-
Total Equity (₹ in Lakhs)	5,173.38	5,140.24
Debt Equity Ratio	-	-

B. Financial Risk Management and Policies

The Group financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The group principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations in selected instances. The group principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations. The group is exposed to market risk, credit risk, liquidity risk etc. The objective of the group financing policy are to secure solvency, limit financial risks and optimise the cost of capital. The group's capital structure is managed using equity and debt ratios as part of the group's financial planning.

a. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments. The group has designed risk management frame work to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

The above mentioned risks may affect the group's income and expenses, or the value of its financial instruments. The group's exposure to and management of these risks are explained below:

i. Foreign Currency Risk:

The group is subject to the risk that changes in foreign currency values impact the company export and import.

The group is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to US Dollar and Euro.

The group manages currency exposures within prescribed limits, through use of derivative instruments such as Options, futures and Forward contracts etc. Foreign currency transactions are covered with strict limits placed on the amount of uncovered exposure, if any, at any point of time.

(₹ in Lakhs)

Particulars	As at March 31, 2026		As at March 31, 2025	
	Amount in Foreign Currency	Amount in ₹	Amount in Foreign Currency	Amount in ₹
Foreign Currency Exposure(USD)

Net Exposure (AED)	(15,347.59)	(3.86)	2,294.74	0.60

ii. Foreign Currency Sensitivity:

The following table demonstrates the sensitivity to a 5% increase/decrease in foreign currencies exchange rates, with all other variables held constant 5% increase or decrease in foreign exchange rate will have the following impact on profit before tax.

(₹ in Lakhs)

Particulars	As at March 31, 2026		As at March 31, 2025	
	5% Increase	5% Decrease	5% Increase	5% Decrease
If INR has (Strengthened)/Weakened against USD				
Net Impact on Profit and Loss	4.11	(4.11)	2.36	(2.36)
Net Impact on Equity	3.04	(3.04)	1.75	(1.75)

iii. Forward foreign exchange contracts/ Options/ Derivatives

It is the policy of the group to enter into forward foreign exchange contracts/Options & Derivatives to cover foreign currency payments in USD. The group enters into contracts with terms upto 90 days. The group's philosophy does not permit any speculative calls on the currency. It is driven by conservatism which guides that group follow conventional wisdom by use of Forward contracts in respect of Trade transactions.

The group will alter its hedge strategy in relation to the prevailing regulatory framework and guidelines that may be issued by RBI, FEDAI or ISDA or other regulatory bodies from time to time. Based on the outstanding details of import payable and exports receivable (on event basis) the net trade import exposure is arrived at (i.e. Imports - Exports = Net trade exposures).

Forward cover or options covers is obtained from Banks or Merchant House for each of the aggregated exposures and the Trade deal is booked. The forward cover deals are all backed by actual trade underlines and settlement of these contracts on maturity are by actual delivery of the hedged currency for settling the underline hedged trade transaction.

b. Credit Risk

Credit risk is the risk that counter party will not meet its obligation leading to a financial loss. The Company is exposed to credit risk arising from its operating activities primarily from trade receivables, financing activities and relating to parking of surplus funds as Deposits with Banks. The Company considers probability of default upon initial recognition of assets and where there has been a significant increase in credit risk and on an ongoing basis throughout the reporting period..

The carrying amount of Financial Assets represents the maximum credit exposure:

Financial Instruments and Cash Deposit:

Credit risk from balances with Banks and Financial Institutions is managed by the Company's finance department. Investments of surplus funds are made only with approved counter parties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and thereby mitigate financial loss through counterparty's potential failure to make payments.

Trade Receivables

The Marketing department has established a credit policy under which each new customer is analysed individually for credit worthiness before the group's standard payment and delivery terms and conditions are offered. The group review includes external ratings, if they are available, and in some cases bank references. Sale limits are established for each customer and reviewed periodically. Trade Receivables of the Company are typically unsecured, except export receivable which is covered through ECGC and to the extent of the security deposits/advances received from the customers or financial guarantees provided by the market organizers in the business. Credit risk is managed through credit approvals and periodic monitoring of the credit worthiness of customers to whom credit terms in the normal course of business are provided. The allowance for impairment of Trade receivables is created to the extent and as and when required, based on the actual collectability of accounts Receivables. The group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The group measures the expected credit loss of trade receivables and loans from customers based on historical trend, industry practises and the business environment in which the entity operates. Loss rates are based on actual credit loss exposure and past trends.

c. Liquidity Risk

Liquidity risk is the risk that the group will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The group maintains a cautious liquidity strategy, with a positive cash balance throughout the year. Management monitors the group's liquidity position through rolling forecasts on the basis of expected cash flows. Cash flow from operating activities provides the funds to service and finance the financial liabilities on a day-to-day basis.

The below table provides details regarding the remaining contractual maturities of Company's financial liabilities:

(₹ in Lakhs)

Particulars	Less than 1 Year	1 - 5 Years	More than 5 Years	Total

Note 35

Employee Benefits

The Group has classified various employee benefits as under:

A. Defined Contribution Plans

- a. Provident Fund
- b. State Defined Contribution Plans
 - i. Employers Contribution to Employees Pension Scheme 1995

The Provident Fund is operated by the Regional Provident Fund Commissioner and is administered by the LIC of India as applicable for all eligible employees. Under the schemes, the Group is required to contribute a specified percentage of payroll costs to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Group has recognised the following amounts in the Statement of Profit and Loss:

(₹ in Lakhs)

Particulars	Year Ended March 31, 2026	Year Ended March 31, 2025
Contribution to Provident Fund	55.30	22.64
Contribution to Employees' Pension Scheme	35.96	24.71
Total	91.27	47.35

B. Defined Benefit Plans

a. Gratuity

The Group operates a gratuity plan covering qualifying employees. Under the gratuity plan, the eligible employees are entitled to post retirement benefit at the rate of 15 days salary for each year of service until the retirement age of 58, subject to a payment ceiling of ₹ 20 lakhs. The benefit vests upon completion of five years of continuous service as per "The Payment of Gratuity Act" and once vested it is payable to the employee on retirement or on termination of employment. The Group makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Gratuity is defined benefit plan and Company is exposed to following Risks:

Investment risk - The funds are invested by LIC and they provide returns basis the prevalent bond yields, LIC on an annual basis requests for contributions to the fund, while the contribution requested may not be on the same interest rate as the bond yields provided, basis the past experience it is low risk.

Interest Risk – LIC does not provide market value of assets, rather maintains a running statement with interest rates declared annually – The fall in interest rate is not therefore offset by increase in value of Bonds, hence may pose a risk.

Mortality Risk - Since the benefits under the plan is not payable for the life time and payable till retirement age only, plan does not have any longevity risk.

Salary risk - The liability is calculated taking into account the salary increases, basis past experience of the Company's actual salary increases with the assumptions used, they are in line, hence this risk is low risk.

Gratuity Valuation

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

Particulars	Valuations as at	
	March 31, 2026	March 31, 2025
i . Discount Rate (per annum)	6.99%	6.99%
ii. Rate of Increase in Compensation Levels (per annum)	5.00%	5.00%
iii. Mortality Rate During The Employment	Indian Assured Lives Mortality (2012-14)	
iv. Actuarial Valuation Method	Projected Unit Credit Method	
v. Attrition Rate	Upto Age 45: 2%	Upto Age 45: 2%
	46 and above: 1%	46 and above: 1%
vi. Retirement Age	58 Years	58 Years

vii. The expected rate of return on plan assets is determined after considering several applicable factors such as the composition of the plan assets, investment strategy, market scenario, etc. In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified.

viii. The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.

ix. The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

Note on Sensitivity Analysis

- Sensitivity analysis for each significant actuarial assumptions of the Group which are discount rate and salary assumptions as of the end of the reporting period, showing how the defined benefit obligation would have been affected by changes is called out in the table above.
 - In presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.
 - There is no change in the method from the previous period and the points/percentage by which the assumptions are stressed are same to that in the previous year.
- b. Privilege Leave Encashment (Unfunded)**
Under the compensated absences plan, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement, superannuation or resignation at the daily rate of last drawn basic salary, as per current accumulation of leave days.

2	Interest due on above	-	-

Note 39

Share based payment

Aeonx Digital Technology Employee Stock Option Plan, 2025 ('ESOP 2025' or the 'Plan') was approved by the Board of Directors and the shareholders of the Company on 10th February, 2025. The plan entitles employees of the Company and its subsidiaries to purchase shares in the Company at the stipulated exercise price, subject to compliance with vesting conditions. A description of the share based payment arrangement of the Company is given below:

Particulars	Aeonx Employee Stock Option Plan 2025
Exercise Price	10
Vesting conditions	46000 Options for 12 months after the grant date
Exercise period	Stock options can be exercised within a period of 12 months from the grant date
Number of share options granted	46000
Method of settlement	Equity

Particulars	Number of options	Weighted average exercise price per option
As at 1st April, 2025	11,500.00	-
Granted during the year	34,500.00	-
Granted as at 31st March, 2026	46,000.00	10
Weighted average remaining contractual life (in years)	3.5	

The total amount to be expensed over the vesting period is determined by reference to the fair value of the options granted. The fair values of options granted were determined using Black-Scholes option pricing model that takes into account factors specific to the share incentive plans along with other external inputs. Expected volatility has been determined by reference to the average volatility for comparable companies for corresponding option term. The following principal assumptions were used in the valuation.

Grant date	28.05.2025	04.02.2026
Vesting date	27.05.2026	03.02.2027
Expiry date	26.05.2026	02.02.2027
Fair value of option at grant date	152.5	152.5
Exercise price	-	
Expected volatility of returns	131.30%	131.30%
Weighted average contractual life (in years)	3.5	3.5
Expected dividend yield	0.72%	0.72%
Risk free interest rate	6.20%	6.20%

Note 40

Note 41 Additional Regulatory Information

Additional Regulatory Information pursuant to clause 6L of General Instructions for preparation of Balance Sheet as given in Part I of Division II of Schedule III to the Companies Act, 2013, are given hereunder to the extent relevant and other than those given elsewhere in any other notes to the financial Statement.

a. Ratio

No.	Particulars	Numerator	Denominator	As at 31st March,		Variance %	Reason for variance, if more than 25%
				2026	2025		
1	Current Ratio (in times)	Current Assets	Current Liabilities	3.66	5.32	(31.19)	Decrease due to higher current liabilities and/or lower current assets during the year
2	Debt-Equity Ratio (in times)	Total debt	Shareholder's equity	-	-	-	
3	Debt Service Coverage Ratio (in times)	Earning available for service debt	Interest costs	-	-	-	
4	Return on Equity Ratio (%)	Net profit after taxes	Average shareholder's equity	-1%	8%	(114.81)	The company incurred a net loss or experienced a significant decline in net profit after tax, while shareholders' equity remained relatively stable or increased. This resulted in a negative return on shareholders' investment.
5	Inventory Turnover Ratio (No. of days)	Sales	Average inventory	-	-	-	
6	Trade Receivables Turnover Ratio (No. of days)	Net credit sales	Average trade receivables	57.06	90.26	(36.78)	Trade receivables turnover ratio have decreased due to recovery of long pending outstanding dues.
7	Trade Payables Turnover Ratio (No. of days)	Net credit purchases	Average trade payables	105.53	217.84	(51.56)	Reduced payment period due to quicker settlement of trade payables and improved vendor payment management.
8	Net Capital Turnover Ratio (in times)	Net sales	Working capital	1.29	0.72	77.95	Increased due to higher sales and more efficient utilization of working capital
9	Net Profit Ratio (%)	Net profit	Operating revenue	-1%	12%	(109.04)	Decrease due to net loss caused by lower profitability and higher costs during the year
10	Return on Capital Employed (%)	Earning before interest and taxes	Capital employed	-2%	11%	(115.36)	Decrease due to negative EBIT and reduced operating profitability during the year
11	Return on Investments (%)	Income generated from invested funds	Average invested funds	5.56	11.52	(51.71)	Decrease due to lower investment income relative to the average invested funds.
